

NSW State Plan

Posted on 14 September 2011

Organisation

New South Wales State Government

Purpose

The priorities in the State Plan are a result of consultation with more than 3,500 groups and individuals who provided their views and local knowledge. The State Plan is the community's vision for the future of NSW.

Project Goals / Aspirations

- 1 - Our transport network is world class—safe, reliable and integrated. Our cities and towns are great places to live, and we experience a high quality of life
- 2 - Our economy grows stronger—supporting jobs and attracting business investment
- 3 - Our children are better educated, our people more skilled and we are known for our research and innovation
- 4 - Our health system provides the highest quality care accessible to all
- 5 - Our energy is clean, our natural environment is protected and we are leaders in tackling climate change
- 6 - Our community is strong and the most disadvantaged communities and our most vulnerable citizens are supported
- 7 - Our police and justice system keep the community safe

How do NSW State Plan's vision fit within the MAP2010 framework?

for more information on the MAP2010 frameworks see [here](#)

Society
